

National Technical University of Ukraine
"Igor Sikorsky Kyiv Polytechnic Institute"

Faculty of Chemical
Technology

invites you to take part

at the **International Conference on Chemistry,
Chemical Technology and Ecology,**
dedicated to the 125th anniversary of Igor
Sikorsky Kyiv Polytechnic Institute
26-29 September 2023, Kyiv

DEAR CONFERENCE PARTICIPANTS!

The conference programme covers a wide range of issues related to topical problems of chemistry, chemical technology, ecology, materials science, modern water treatment technologies, electrochemistry, as well as the prospects for the preservation and development of Ukrainian science and industry during the war.

Papers on the conference topics written by students, PhD students, teachers, academic staff, and other researchers are accepted for publication.

Materials that have not been previously published are accepted for participation in the conference. By submitting the text of the conference publication, the author assumes responsibility for the fact that the text of the publication does not contain plagiarism, contains reliable information regarding the results of the research, is the final version and does not require revisions.

Scientific materials are published in Ukrainian or English.

The conference will include plenary sessions, parallel sessions, workshops, and discussions.

DIRECTIONS OF THE CONFERENCE

1. Organic, inorganic and physical chemistry.
2. Organic and inorganic materials science.
3. Ecological chemical technologies and environmental protection.
4. Modern water treatment and chemical technologies.
5. Electrochemistry, metal corrosion and corrosion protection.

PARTICIPATION IN THE CONFERENCE

The conference will be held on the Faculty of Chemical Technology of Igor Sikorsky Kyiv Polytechnic Institute in a **mixed format (offline and online)** using Zoom/Google Meet platform).

To consider the issue of participation in the conference, it is necessary to fill out the online-form of participant by September 10, 2023 at the link at <https://forms.gle/AAt2n2oG4SZNWtHu9> or by **QR code** and upload a file with a scientific paper prepared in accordance with the requirements at <http://surl.li/jypem>.

Submitted materials will be reviewed by the programme committee. If the materials do not meet the requirements, they will not be accepted for publication.

Based on the results of the conference, a collection of scientific papers will be published, the electronic version of which will be posted on the website of the Faculty of Chemical Technology of Igor Sikorsky Kyiv Polytechnic Institute <https://xtf.kpi.ua/>.

After the conference, all participants will be offered **free publication** in the following journals:

"Water and water treatment technologies. Scientific and Technical News" (Ukrainian journal for specialities Ecology, Chemistry, Chemical Technology and Engineering).

"Scientific News of KPI" (Ukrainian journal for technical sciences (Chemical Technology and Engineering)).

"Ecological safety and environmental protection technologies" (Ukrainian journal for speciality Environmental protection technologies).

Participants who make a presentation will receive Certificates of Participation (0.5 ECTS).

REQUIREMENTS FOR THE DESIGN OF SCIENTIFIC MATERIALS

- The volume is from 1 to 3 **FULL A4 PAGES**.
 - Margins: 3 cm on all sides.
 - Pages are not numbered.
 - Font - Times New Roman, 12 pt, single spacing.
 - Width alignment, paragraph 0.75 cm.
 - Formulas are inserted into the text using the formula editor.
 - Figures must be grouped.
- An abstract template that meets all the requirements can be downloaded at <http://surl.li/jypem>. Only properly formatted abstracts are accepted.

PARTICIPATION IN THE CONFERENCE

Registration fee for students and postgraduates – 5 USD; for scientists – 10 USD. Payment details for participation in the conference will be sent after the acceptance of abstracts. **It is planned to transfer 20% of the registration fees to the Armed Forces of Ukraine.**

MEMBERS OF THE PROGRAMME COMMITTEE

Linyucheva O.V. – Chair of the Programme Committee, Doctor of Technical Science, Professor, Dean of the Faculty of Chemical Technology, Igor Sikorsky Kyiv Polytechnic Institute, Kyiv

Dontsova T.A. – Deputy Chair of the Programme Committee, Doctor of Technical Sciences, Professor, Head of the Department of Inorganic Substances Technology, Water Treatment and General Chemical Technology, Igor Sikorsky Kyiv Polytechnic Institute, Kyiv

Brovarets V.S. – Doctor of Chemical Sciences, Professor, Deputy Director of the V.P. Kukhar Institute of Bioorganic Chemistry and Petrochemistry, Kyiv

Burban A.F. – Doctor of Technical Sciences, Professor, Department of Chemistry, National University of Kyiv-Mohyla Academy, Kyiv

Volochniuk D.M. – Doctor of Chemical Sciences, Professor, Head of the Department of Chemistry of Biologically Active Substances, Institute of Organic Chemistry, National Academy of Sciences of Ukraine, Kyiv

Gomelia M.D. – Doctor of Technical Sciences, Professor, Head of the Department of Ecology and Technology of Plant Polymers, Faculty of Chemical Engineering Igor Sikorsky Kyiv Polytechnic Institute, Kyiv

Doroshenko A.O. – Doctor of Chemical Sciences, Professor, Head of the Department of Organic Chemistry, V.N. Karazin Kharkiv National University, Kharkiv

Znak Z.O. – Doctor of Technical Sciences, Professor, Head of the Department of Chemistry and Technology of Inorganic Substances, Lviv Polytechnic National University, Lviv

Kalchenko V.I. – Academician of the National Academy of Sciences of Ukraine, Doctor of Chemical Sciences, Professor, Honorary Director of the Institute of Organic Chemistry of the National Academy of Sciences of Ukraine, Head of Department No. 5 of Phosphorus Chemistry, Kyiv

Kovalenko I.L. – Doctor of Technical Sciences, Professor, Head of the Department of Inorganic Substances Technology and Ecology, State Higher Educational Institution "Ukrainian State University of Chemical Technology", Dnipro

Kolotilov S.V. – Doctor of Chemical Sciences, Acting Deputy Director for Research, L.V. Pysarzhevsky Institute of Physical Chemistry, Kyiv

Koshechko V.G. – Academician of the National Academy of Sciences of Ukraine, Vice-President of the National Academy of Sciences of Ukraine, Doctor of Chemical Sciences, Professor, Director of the Pysarzhevsky Institute of Physical Chemistry, Kyiv

Kuzmin V.E. – Corresponding Member of the National Academy of Sciences of Ukraine, Doctor of Chemical Sciences, Professor, Director of the Bogatsky Institute of Physics and Chemistry, National Academy of Sciences of Ukraine, Odesa

Kurmakova I.M. – Doctor of Technical Sciences, Professor, Head of the Department of Chemistry, Technology and Pharmacy, National University "Chernihiv Collegium" named after T.G. Shevchenko, Chernihiv

Markina L.M. – Doctor of Technical Sciences, Professor of the Department of Environmental Audit and Environmental Protection Technology, State Environmental Academy of Postgraduate Education and Management, Kyiv

Patryliak L.K. – Doctor of Chemical Sciences, Professor, Head of the Department of Catalytic Synthesis, V.P. Kukhar Institute of Bioorganic Chemistry and Petrochemistry, National Academy of Sciences of Ukraine, Kyiv

Pirskyi Y.K. – PhD in Chemistry, Head of the Lab. Vernadsky Institute of General and Inorganic Chemistry of the National Academy of Sciences of Ukraine, Kyiv

Prokopenko V.A. – Doctor of Technical Sciences, Director of the I.D. Ovcharenko Institute of Biocolloid Chemistry, NAS of Ukraine, Kyiv

Rassukana Y.V. – Doctor of Chemical Sciences, Professor, Deputy Director for Research, Institute of Organic Chemistry, NAS of Ukraine, Kyiv

Ryshchenko I.M. – Doctor of Technical Sciences, Professor, Professor of the Department of General and Inorganic Chemistry, National Technical University "Kharkiv Polytechnic Institute"; Director of the Educational and Research Institute of Chemical Technology and Engineering, Kharkiv

Tulskyi G.G. – Doctor of Technical Sciences, Professor, Head of the Department, National Technical University "Kharkiv Polytechnic Institute", Kharkiv

Frytskyi I.O. – Corresponding Member of the National Academy of Sciences of Ukraine, Doctor of Chemical Sciences, Professor, Head of the Department of Physical Chemistry, Taras Shevchenko National University of Kyiv, Kyiv

Khoma M.S. – Corresponding Member of the National Academy of Sciences of Ukraine, Doctor of Technical Sciences, Head of the Department of the Karpenko Institute of Physics and Mechanics, NAS of Ukraine, Lviv

Khomenko V.G. – Doctor of Technical Sciences, Associate Professor, Associate Professor of the Department of Electrochemical Energy and Chemistry, Kyiv National University of Technology and Design, Kyiv

Chebanov V.A. – Corresponding Member of the National Academy of Sciences of Ukraine, Doctor of Chemical Sciences,

Professor, First Deputy Director General for Research of the Scientific and Technological Complex "Institute of Single Crystals" of the National Academy of Sciences of Ukraine, Kharkiv

INTERNATIONAL MEMBERS OF THE PROGRAMME COMMITTEE

Harsha Ratnaweera – Professor, Doctor of Engineering, Norwegian University of Life Sciences Faculty of Science and Technology, Norway

Aleksej M. Rodin – PhD, Head of Solid State Laser laboratory at Center for Physical Sciences and Technology, Lithuania

Galina Tsirlina, Professor, DSc (Chemistry), Université Grenoble Alpes, Université Savoie Mont Blanc, The French National Centre for Scientific Research (CNRS), INP, Laboratory of Electrochemistry and Physical-Chemistry of Materials and Interfaces (LEPMI), Grenoble, France

Giuseppe Lazzara – Professor, The Department of Physics and Chemistry - Emilio Segrè (DiFC), University of Palermo, the Republic of Italy

Manuele Dabala – Professor, Department of Industrial Engineering, University of Padova, the Republic of Italy

Marian Jaskula – Professor, Dr.habil, Jagiellonian University Faculty of Chemistry, Cracow, the Republic of Poland

Oleksandr Shtyka – PhD, Lodz university of technology, the Republic of Poland

Roman Milotskiy – PhD, Associate Professor of National University Corporation Kanazawa University, Japan

Silvere Barrat – Professor, Head of research group "Functional Thin Films for Energy Applications" University of Lorraine, the French Republic

Tomasz Maniecki – PhD, Professor of the Lodz University of Technology, Institute of General & Ecological Chemistry/Faculty of Chemistry, the Republic of Poland;

Volodymyr Tarabara – Professor, Department of Civil and Environmental Engineering Michigan State University, East Lansing, USA

Wei Wang – PhD, Associate Professor of Ocean University of China, PRC

Zakhar Maletskyi – Dr. Norwegian University of Life Sciences Faculty of Science and Technology, Norway
